Grammar Relay Race

The **Grammar Relay Race Challenge** is an interactive and fun-filled event designed to test participants' knowledge of English grammar rules in a competitive and engaging format. Teams will work together to tackle a series of grammar-related tasks, such as identifying sentence errors, correcting punctuation, choosing the correct word forms, and more. The event is structured as a relay race, where each team member takes turns solving different grammar challenges before passing the baton to the next teammate.

Event Type	Category	Theme /Syllabus
Team Based **Physical Event/ virtual**	Class (3-12)	English Grammar

Rules & Regulations:

• First registered 25 teams from each category can participate in Grammar Relay Race

•Each team must consist of 4 members.

•All team members must participate in at least one part of the relay.

•The race will have multiple "stations," each featuring a different grammar task (e.g., sentence correction, punctuation, identifying parts of speech).

•Tasks must be completed in the correct sequence to advance.

•Time will begin when the first team member starts the first task.

•Answers must be written or marked as instructed at each station.

•Once a team moves to the next station, their previous task is locked and cannot be changed.

•Only one team member may work on the task at each station.

•Once a task is completed, the next team member may proceed to the next station.

•No electronic devices, reference books, or notes are allowed.

•Only the materials provided by organizers may be used.

•If a team skips a station or receives unauthorized assistance, they will be disqualified.

•The team with the fastest adjusted time (accounting for penalties) and the highest accuracy will be declared the winner. In the event of a tie, a bonus round with one additional grammar challenge will determine the winner.
